

Hello Parents-

As this year comes to a close, I wanted to thank you all for your support of the Dance Program in the course of this year- And to let you know that if you were interested in making a donation to the dance department, this would be a tremendous help to us, and to the programs we offer on campus.

While monetary donations (Checks to UHS Dance Company Club) are certainly welcome- we also could use assistance with some household electronics such as old ipods or MP3 Players, (even some non-working ipods which may be an asset to our program as we can often arrange to get them repaired)

Additionally donations of working Ipod Speakers, or even working radios with cassette players (yes... he actually said CASSETTE players- we can still use converters to play ipods off of them, and strangely- they often last longer than the brand new ipod speakers we have purchased in the past)

Lastly- if you would please take a moment to complete this document for our records.
